The Healthy Home Book Tour Promo**The Healthy Home Simple Truths**
Beginning in the bedroom and ending in the garage and backyard, readers learn about the degenerative effects of toxins in the home and receive simple solutions to help minimize exposure without foregoing convenience. The Healthy Home is not a comprehensive tome on modern health hazards; nor is it a treatise on eco-conscious living. Instead, the book focuses on the most important environment--the home--and the problems that can most easily be lessened or eliminated.
