"Family Affair" A Man's Place (TV Episode 1968) - IMDb

A Family Man. "A Family Man" is one of those films where a fast-talking forty-something upper-middle class husband and father who works too much and doesn't appreciate the simple things in life endures a catastrophic twist of fate and changes his tune. There are a few excellent films that tell that story, a number of watchable but forgettable ones, and so many bad ones that we'd better not start listing them here because we might not know where to stop.

A Family Man movie review & film summary (2017) | Roger Ebert

Are you a Family Man? Having a Family is difficult work. In our imaginations, being a family should be easy. But the reality is there are many times family life is not what we would like it to be. It takes work, but not in a traditional 9-5. It takes work on yourself. As a Dad and husband, the hardest work I have to do is on myself.
