book the author describes the way her garden evolved and how, without meaning to do so, she let it take over her life. She suggests moving away from planning, regimentation and gardening with the mentality of a stamp-collector. Frequently funny and always stimulating, she writes of the alchemy of gardens, of the 19th-century plant-collectors and plant illustrators and of the gardening philosophers, all fertilizing great thoughts along with their hollyhocks.

A Gentle Plea for Chaos by Mirabel Osler
- Goodreads

Moody chaos in the author's garden THE BRITISH AUTHOR Mirabel Osler's wonderful book was published in the 1980s, a time when British gardening was of a certain tidy proper look. Mirabel's gentle plea was for gardeners to allow the magic back into their gardens by handing back the reins (just a little or a lot) to Mother Nature.

A gentle plea for chaos in the garden.
About 20 years ago I read a book by Sara Stein called Noah's Garden and it transformed the way I think about gardening. In her book, she describes the way nature plants. There are no lines, or sharp angles; everything has a place and purpose. She referenced a book by Mirabel Osler called A Gentle Plea for Chaos, and that idea became the model for me and my garden.

GENTLE PLEA FOR CHAOS - Jan
Minne

The Chaos is a Ladder Quote: "Chaos

Download Ebook A Gentle Plea For Chaos

isn't a pit. Chaos is a ladder. Many who try to climb it fail and never get to try again. The fall breaks them. And some are given a chance to climb, but they refuse. They cling to the realm or the gods or love. Illusions. Only the ladder is real. The climb is all there is." -Littlefinger's Chaos is a ...
