~~Valves — AIRman Products~~

This service manual explains about the cautions for maintenance jobs and is to serve a guide for the electric system, and troubleshooting for service personnel. In this book the fundamental matters and other things already mentioned in the "Instruction Manual" and the "Parts Catalogue" are omitted to avoid duplication.

~~AIRMAN — aircompressorsforsale.com.au~~

The AirMan pump comes readily to hand and it is a simple matter to pull the power cord and connector out of the bottom housing and then release the air hose from its dummy connector on the top of the housing. Quick manipulation of the power connector turns it into a BMW-style plug.

~~Reviews of AirMan Electric Air Pump — Nippy Normans~~

The AirMan pump comes readily to hand and it is a simple matter to pull the power cord and connector out of the bottom housing and then release the air hose from its dummy connector on the top of the housing.
