on a journey that begins with an exploration of light and color, moves through a comprehensive discussion of the Canon Speedlite family and all of the accessories and equipment available to the Speedlites, then settles down to crafting great light in one photo shoot after another. Whether you want to create a classical portrait, shoot an event, or simply add a little fill light to a product shot, Speedlites Handbook shows you how. A fantastic in-depth resource illustrated with over 500 images, Speedlites Handbook covers: how to see the various characteristics and properties of light itself, as well as the differences between how your camera sees versus how you see all the buttons and dials of the

Ty Johnson knows survival. Since inheriting his pop's business at sixteen, Ty's developed smarts, skills, and mad discipline. The supply game's in his blood. And life is pretty sweet when you're on top. But one slip—or one serious competitor—and life turns ugly fast. Suddenly, Ty's got to rethink his whole strategy. And for the #1 dealer on the streets, strategy is not just about staying ahead. It's about survival.

The Olympus Pen F is one of the most versatile and accomplished fully digital cameras ever produced. That makes it a formidable imaging tool but also gives the user a steep learning curve to get the best from it. For

example, the Custom Menu alone has more than 140 entries, each with their own sub-entries. This book helps you over that learning curve by going through the menu options one by one, explaining what they do and why you might want to do it. At the end of the book, I illustrate, item by item, every menu setting I use as my basic camera setup, followed by an index of the contents. It won't be your ideal setup but it will give you a working configuration from which to find it. After a more than 40 years career as a professional news and magazine photographer, I went over to Micro Four Thirds camera for all my work almost as soon as they came out. I've never regretted that and I hope that with my little
