dedicated author Bruce

Fairley, Canadian Alpine Journal HOLY
SHIT WAAAAAAAAAAT A

FABBBBBULOUS TOME. Tami Knight,

Illustrator/Mountaineer This

important new book tells the story of

Canada's 200-year mountaineering

history. Through the use of stories

and pictures, Chic Scott documents

the evolution of climbing in Canada.

He introduces us to the early

mountain pioneers and the modern

day climbing athletes; he takes us to

the crags and the gyms, from the west

coast to Québec, and from the Yukon

to the Rockies. But most importantly,

Scott showcases Canadian climbers-

the routes that challenged them, the

peaks that inspired them, their

insatiable desire to climb harder, to

push the limits. Begin the trek

through Canada's climbing history

Learn about Swiss guides hired by CPR hotels who ushered in the glory years of first ascents. Continue through to the turn of the twentieth century when British and American climbers of leisure found themselves hampered by the difficulties of travel through the Canadian wilderness. Learn about the European immigrants of the 1950s who pushed the limits on the rock walls, and the American superstars who led the search for frightening new routes on the big north faces. Be there when British expatriates pioneer an exciting new trend in world mountaineering-waterfall ice climbing. Witness the popular growth of sport climbing, both on the crags and in the gyms. Finally, enjoy the story of home-grown climbers. Initially slow to take up the challenge, both at home and overseas,

Stephane they are now leaders in the climbing world.

The rock climber's equivalent of a Rand McNally road atlas, this completely revised and updated new edition of Rock 'n' Road compiles information on over 3,000 climbing areas in all 50 states, Canada, and Mexico. The book offers location maps, detailed directions, star ratings, the kind of climbing and rock encountered, access issues, classic routes, and much more. The fundamental reference source for North American climbers.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

This eagerly awaited CD-ROM offers over 1.3 million amateur radio and shortwave users unmatched access to fellow listeners through quick and easy browsing. Features include Windows/DOS platform; data display by call sign, name, city, license class; sound output in Morse code for blind
