### *Cats - Memory Lyrics*

She is smiling alone In the lamplight, the withered leaves collect at my feet And the wind begins to moan Memory All alone in the moonlight I can smile at the old days I was beautiful then I remember the time I knew what happiness was Let the memory live again Every streetlamp seems to beat a fatalistic warning Someone mutters, and a streetlamp gutters, And soon it will be morning. Daylight I must wait for the sunrise And I mustn't give in.

### *Memory [From Cats] Lyrics*
