Coercion, Contract, and Free Labor in the Nineteenth Century by Robert J. Steinfeld Post, Charles 2006-01-01 00:00:00 Reviewed by Charles Post For most Marxists, the relationship between capital and wage-labour constitutes the core of capitalist social property relations. 1 However, there is little consensus among historical materialists about the concrete, historical forms wage-labour has taken during the history of capitalism. In particular, there is considerable controversy concerning the ...
