Collins Complete DIY Manual has sold over 3 million copies and is the most comprehensive and authoritative DIY manual ever produced.

New paperback edition of this award-winning essential reference book for artists of all standards. Collins Artist's Manual was published in hardback in October 1995 to great acclaim. It won The Artist's Choice Art Instruction Book of the Year Award and was shortlisted for a Nibby award for best illustrated book of that year. It then went on to sell nearly 20,000 copies in the UK and 170,000 worldwide and was translated into 11 languages. We are now relaunching this superbly illustrated essential reference book for all artists at the amazing price of 14.99. Collins Artist's Manual covers all the painting and drawing materials available to the artist today but also conveys the sheer joy and excitement of creating art. The book is divided into seven sections: * Supports * Drawing media * Painting media * Colour & composition * Subjects & themes * The studio * Reference: healthy and safety, art material suppliers, glossary

This is the definitive artist's reference source book on art materials and painting techniques with more than 1300 colour illustrations. Collins Complete Manual covers all the painting and drawing materials available to the artist today and also conveys the sheer joy and excitement of creating art. In addition, it contains a structured painting course from simple exercises to more advanced projects, with demonstrations by well-known practising artists who share their successes (and setbacks) with the reader. Contents include comprehensive information on drawing and painting media along with hints and tips on how to set up your own artist's studio. The book contains advice on making the most of colour, composition and drawing and sketching techniques in your work. There are even suggestions on what to paint and draw in order to get you started on that art project that is just waiting to happen. Collins Complete Manual is visually rich and exciting, practical and comprehensive, and no artist's studio should be without it.

This new and revised edition is the most comprehensive and illustrated book on woodworking. It covers woodworking tools, raw materials, techniques and constructions, veneering and marquetry, use of glass, metal and leather, and much more.

Readers discover their inner talents with this illustrated, project-based guide to drawing and painting. Angela Gair teaches art techniques in a step-by-step format that makes it easy to learn the basics and create personal works of art. Over 400 color illustrations throughout.

The arts.
