The intranet is among the primary landscapes in which information-based work occurs, yet many info pros continue to view it with equal parts skepticism and dread. In *Intranets for Info Pros*, editors Mary Lee Kennedy and Jane Dysart and their 10 expert contributors provide support and encouragement to the information professional responsible for implementing or contributing to an intranet. Chapters demonstrate the intranet's strategic value, describe important trends and best practices, and equip info pros to make a key contribution to their organization's intranet success.
