How to Make Computer Games: 11 Steps (with Pictures) - wikiHow

"A Simple Game" is a 1968 song by the progressive rock band the Moody Blues. Written and sung by Mike Pinder, it was released as a non-album B-side to "Ride My See-Saw", a track from the album In Search of the Lost Chord. The song was produced by Tony Clarke and arranged by Arthur Greenslade. The track was covered by The Four Tops, and their version was issued as a single in the United States in January 1972, reaching #90 on the Billboard Hot 100. The song had already been issued as a single in

A Simple Game - Wikipedia

Basically, you create a native app for the platform you wanna distribute it to (iOS, Android, etc) and put your game inside so that this app acts like a web browser and "runs" your game. For desktop platforms such as Windows, Mac or Linux there is a tool called node webkit that allows you to pack your HTML5 games for these platforms.
