Forensic analyst and nighttime vigilante Dexter Morgan discovers that he is being followed by a killer who is copying his methods, an adversary whom Dexter seeks to outmaneuver using his trademark knack for extricating himself from trouble.

"After seven national bestsellers and eight seasons as one of the most successful shows on television, New York Times bestselling author Jeff Lindsay bids a thrilling farewell to his uniquely twisted and beloved serial killer, Dexter Morgan. Dexter Morgan, Dexter Is Dead is the definitive conclusion of the character who has become a global icon. Dexter Morgan has burned the candle at both ends for many years. Blood spatter analyst, husband, father, serial killer. And now, for the first time, his world has truly collapsed. Dexter is arrested on charges of murder. He has lost everything—including his wife, his kids, and the loyalty of his sister. Now completely alone, Dexter faces a murder charge (for a crime, ironically, he did not actually commit). His only chance for freedom lies with his brother, Brian, who has a dark plan to prove Dexter's innocence. But the stakes are deadly, and the epic showdown that lies in Dexter's path may lead, once and for all, to his demise. Jeff Lindsay's trademark devilish wit and cutting satire have never been sharper. Dexter Is Dead marks the end of a beloved series, but is also Dexter's most satisfying and suspenseful outing yet!"-

Forensic analyst and nighttime vigilante Dexter Morgan discovers that he is being followed by a killer who is copying his methods, an adversary whom Dexter seeks to outmaneuver using his trademark knack for extricating himself from trouble.

Meet Dexter Morgan, a polite wolf in sheep's clothing. He's handsome and charming, but something in his past has made him abide by a different set of rules. He's a serial killer whose one golden rule makes him immensely likeable: he only kills bad people.
• The Killer Character That Inspired the Hit Showtime Series Dexter
And his job as a blood splatter expert for the Miami police department puts him in the perfect position to identify his victims. But when a series of brutal murders bearing a striking similarity to his own style start turning up, Dexter is caught between being flattered and being frightened–of himself or some other fiend.

**NATIONAL BESTSELLER** • The Dexter series continues with Dexter's deadliest case yet.
• The Killer Character That Inspired the Hit Showtime Series Dexter
After his surprisingly glorious honeymoon in Paris, life is almost normal for Dexter Morgan. Married life seems to agree with him: he's devoted to his bride, his stomach is full, and his homicidal hobbies are nicely under control. But old habits die hard—and Dexter's work as a blood spatter analyst never fails to offer new temptations that appeal to his offbeat sense of justice. Not to mention that his Dark Passenger still waits to hunt with him in the moonlight. The discovery of a corpse (artfully displayed as a sunbather relaxing on a Miami beach chair) naturally piques Dexter's curiosity and Miami's finest realize they've got a terrifying new serial killer on the loose. And Dexter, of course, is back in business.

Serial killer Dexter Morgan reevaluates his life views upon the birth of his daughter and investigates the disappearance of a teenage girl who has been running with a group of goths rumored to be engaging in cannibalism.

**NATIONAL BESTSELLER** • In his work as a Miami crime scene investigator, Dexter Morgan is accustomed to seeing evil deeds—particularly because, on occasion, he commits them himself. Dexter's happy existence is turned upside down when he is called to an unusually disturbing crime scene at the university campus.
• The Killer Character That Inspired the Hit Showtime Series Dexter
Dexter's Dark Passenger—mastermind of his homicidal prowess—immediately senses something chillingly recognizable and goes into hiding. Dexter is alone for the first time in his life, and he realizes he's being hunted by a truly sinister adversary. Meanwhile he's planning a wedding and trying to learn how to be a stepfather to his fiancé's two kids—who might just have dark tendencies themselves. Macabre, ironic, and wonderfully entertaining, Dexter in the Dark goes deeper into the psyche of one of the freshest protagonists in fiction.

Dexter Morgan, a secret assassin working as a blood spatter analyst for the Miami Police Department, finds his efforts to seek domestic tranquility undermined by a psychopath terrorizing the city.

Pulling off an impossible crime is the only way he can stay alive. Stealing a Faberge egg. Surviving a double cross. And pulling off the most incredible robbery ever, for the world's most demanding—and dangerous—collector. This will be the challenge of thief extraordinaire Riley Wolfe's life. Held prisoner by a top-dog international arms dealer, and a top-notch art collector, Riley has to steal an artwork. Small problem—it's a fresco, "The Liberation of St. Peter." Slightly larger problem—it's in the Vatican. And, it's a literal wall. Riley has no choice: agree or die. But when his captor turns him loose, he finds even more dangerous criminals waiting to ensnare him, threatening his life and the life of the woman he loves. The threat is clear. Riley knows they both have only one way out. With wicked dialogue, tons of explosive twists, and cinema-worthy scenes, Jeff Lindsay's Fool Me Twice is a wildly entertaining caper starring an anthero you'll root for, Riley Wolfe.
