I can see why everyone said he should write a book! It has amazing stories in it, and they vary in topics and experiences. From pirate threats to near death in a foreign hospital to long distance truck driving to many other exciting stories. I also loved that each chapter was a different encounter.

Everyone should write. Why? So you can get rich and famous and build a personal brand and attract millions of readers? No. Everyone should write because writing imposes discipline on your thoughts and emotions. Writing is the only art where refinement is inseparable from the craft. You can't take the paint back from the canvas.
