Willie ' s World 2 is a collection of Christian puppet skits written to teach young boys and girls valuable lessons from God ' s Word. In doing so, it is my prayer that they may become better prepared to make right choices as they travel life ' s long and often difficult highway. Each week, Willie manages to find himself in one sort of dilemma or another. Together with the help of his friends, his wise grandpa, and the delightful Miss Pickles, he takes on the challenges of being a boy in a rapidly changing world of schoolyard bullies, peer pressure, self-doubt, and facing our greatest fears. Throughout these skits, children will be taught many lessons to help strengthen their faith: Lessons about prayer, forgiveness, obedience and how to get along

with others. Lessons about sharing their faith, trusting in God, and loving the unlovable. When all is said and done, Willie learns that the road of life can be fraught with many hazards and wrong turns. But navigating around those hazards becomes much less troublesome when, before embarking on that journey, we allow God ' s Word to have its rightful and necessary place as a lamp unto our feet and a light unto our path.

It is no secret that some people are feeling alienated from the church, for various reasons; social status, sexual orientation, or how they dress, among others. For these reasons, as well as others, some have felt compelled to leave the church. The purpose of this book is to minister to those very people; to show them that although the church is not perfect, Jesus Christ is real and alive and will never mistreat them or abuse them; that in His heart there is a place for them too. Perhaps the most important part of ministering to those feeling like there is no spiritual home for them in the church, is to demonstrate that, while the church struggles to exemplify the love of Christ, Christ Himself is still real and is still alive and loves each and every one with a deep and abiding love. It is my hope that those who either read these scripts or see them performed will come to realize that Christ is calling us all and we have only to say Yes!

Willie ' s World is a collection of Christian puppet skits written to encourage young boys and girls to carry God ' s Word in their hearts. By doing so, they will be better equipped to face those trials and temptations that will surely come their way. Each week Willie manages to find himself in one sort of dilemma or

another. And, also each week, God ' s Word comes to the rescue. Whether it be through Willie ' s Grandpa, who shares with Willie the true meaning of helping others, or through the delightful Miss Pickles, who teaches her class the importance of always telling the truth. Week after week Willie learns (usually the hard way) that by applying the principles found in the Bible, a fella can spare himself a whole lot of trouble.

Throughout these skits, children will be taught valuable lessons to help strengthen their faith and better prepare them for life ' s long, and often difficult, journey. Lessons about trust, obedience, responsibility, forgiveness and honoring their mothers and fathers. Lessons about God ' s love for them and lessons about how they can live lives that will be pleasing to Him. This can best be accomplished when making those life decisions in the light of His Word.

Welcome to Harmony, the kind of place we would all like to live in. The people who live here are ordinary types who have both strengths and weaknesses - just like the rest of us. These plays target children who are four to twelve years of age. Each play begins with an introductory statement by a leader (or pastor) that attempts to tie the current play to previous plays and build some continuity. There are six main puppets who appear in most of the plays to help answer questions about faith, the church, and life in general. Running time is ten minutes or less.

scripts you'll find in Instant Puppet Skits have something in common: each features a Bible character who met Jesus and shares a personal insight. John the Baptist tells his would-be, disgusted director that he is not the star attraction, that his purpose was to prepare people to follow Jesus, and while Lazarus tries to collect a refund on his burial, he explains eternal life for those who believe. And you'll find that the scripts have other things in common too: Scripts have no more than four puppets on stage at any one time, and you can re-use the same four "actors" with different costumes to limit the costs of the puppets! Four or less puppets per script makes it easy for you to recruit enough puppeteers! Yet the audience is involved. In "Fish and Loaves", the audience acts the part of the crowd, each of them stuffed with food. After each script you'll find group discussion points in the "For Deeper Learning" section.

Dennis Regling has written a number of two puppet skits. These scripts are great for use in churches or at home with your children. Helping Children Learn, Love and Live the Word of God TWO PUPPET CHRISTIAN SCRIPTS contains 23 scripts that are fun for all ages. Each skit is five to seven minutes in length, presents clear Biblical truth with humor that both young and old enjoy, and involves only two characters. The stories are brief, simple, and easy to use for Children's Church, Sunday School, VBS, Bible Clubs, AWANAS, and other events. They're even fun to use in family devotions!

According to surveys carried out, ninety four percent (94%) of all fundamental Christians accepted Jesus as their Savior while they were very young; and sixty five percent (65%) of all Christians were led to the Lord by their parents or teachers. It is therefore most vital and valuable for those of us who are teachers especially those who are in Vocation Bible School, Sunday School Teachers, Children Ministry Pastors and Leaders to get our children starting from a very young age engrossed and rooted with simple Bible stories, and then progressing through the more age-appropriate children ' s Bibles and studies as they get older. Now, while there are numerous Bible Story books available, this book however focuses on 37 miracles of JESUS, using the power of puppets and is on Jesus alone- Who is the centre of the whole Bible, enabling the child to see the power of Jesus ' and His divine authority, thus building a strong foundation.'PUPPET SCRIPTS will hopefully help anyone in Children ' s Ministries make a start of building a legacy by passing on through these precious kids to help build a faith line of future generations. This is the greatest Joy that anyone can aspire to see...And I pray that this book helps meet this purpose!
