A must-have resource for improving fluency, this easy-to-use guide features practical, research-based strategies and supported leveled texts. The strategies are organized by grouping situations including whole group, small group, partner, independent, and performance. Strategies for Building Fluency provides teachers with assessment tools, templates, and a family support letter to support instruction. Students can also hear a model of fluent reading by listening to the included audio recordings of all the texts. This resource is correlated to College and Career Readiness and other state standards.

Coauthored and compiled by fluency expert Timothy Rasinski, this selection of engaging texts for Grades 4-8 will make reading enjoyable for students so that they will want to read, reread, and perform! Research has shown that readers who engage in regular repeated readings improve their word recognition, reading rate, comprehension, and overall reading proficiency. As students regularly read and perform these age-appropriate texts, they improve their decoding, interpretation, and ultimately comprehension of the materials. A variety of genres are included: poetry and rhymes, song lyrics, readers theater scripts, and famous speeches and quotations. 112pp.
