Safe, efficient, code-compliant electrical installations are made simple with the latest publication of this widely popular resource. Like its highly successful previous editions, the National Electrical Code 2011 spiral bound version combines solid, thorough, research-based content with the tools you need to build an in-depth understanding of the most important topics. New to the 2011 edition are articles including first-time Article 399 on Outdoor, Overhead Conductors with over 600 volts, first-time Article 694 on Small Wind Electric Systems, first-time Article 840 on Premises Powered Broadband Communications Systems, and more. This spiralbound version allows users to open the code to a certain page and easily keep the book open while referencing that page. The National Electrical Code is adopted in all 50 states, and is an essential reference for those in or entering careers in electrical design, installation, inspection, and safety.

In today's hyper-transparent world, consumers have enormous power to decide which brands are worth their time and money—so how do you make sure they choose yours? Unfortunately, most leaders and organizations are stuck following archaic, detrimental business practices. Meanwhile, savvy consumers and employees across every generation are making their stance perfectly clear: They are not interested in supporting organizations that seem inauthentic, soulless, or untrustworthy. In this environment, only the honest will survive. In *Honest to Greatness*, serial Inc. 5000 entrepreneur Peter Kozodoy shows how today's greatest business leaders use honesty—not as a touchy-feely core value, but as a business strategy that produces game-changing, industry-dominating success. Through case studies and interviews with leaders at Bridgewater Associates,

Sprint, Quicken Loans, Domino's, The Ritz-Carlton, and more, Kozodoy presents fresh business concepts that anyone in the workplace can implement in order to:

- Reach, engage, and retain your best customers
- Attract and inspire the best talent in any industry
- Create an unbeatable culture of innovation that dominates your competitors
- Earn your team's respect and loyalty
- Unlock deep personal fulfillment by setting the "right" goals

Filled with powerful lessons for current and future leaders, this timely book demonstrates how to use honesty at both the organizational and individual level to achieve true greatness in business and in life.

This book explains what made Alexander 'Great' according to the people and expectations of his time and place.

Networking doesn't have to feel like a sales-focused event where you're using people to get ahead. Create meaningful connections, easily strike up genuine conversations, and dazzle people with your natural charm. In *Confident Introvert*, Stephanie Thoma shows you the key steps you'll need to take to unlock your potential and win at networking. Within these pages, you'll discover strategies that go beyond collecting business cards to find your natural confidence and connect with anyone.

If you can build websites with CSS and JavaScript, this book takes you to the next level—creating dynamic, database-driven websites with PHP and MySQL. Learn how to build a database, manage your content, and interact with users. With step-by-step tutorials, this completely revised edition gets you started with expanded coverage of the basics and takes you deeper into the world of server-side programming. The important stuff you need to know: Get up to speed quickly. Learn how to install PHP and MySQL, and get them running on both your computer and a remote server. Gain new techniques. Take advantage of the all-new chapter on integrating PHP with HTML web pages. Manage your content. Use the file system to access user data, including images and other binary files. Make it dynamic. Create pages that change with each new viewing. Build a good database. Use MySQL to store user information and other data. Keep your site working. Master the tools for fixing things that go wrong. Control operations. Create an administrative interface to oversee your site.

After her nightmarish recovery from a serious car accident, Faye gets horrible news from her doctor, and it hits her hard like a rock: she can't bear children. In extreme shock, she breaks off her engagement, leaves her job and confines herself in her family home. One day, she meets her brother's best friend, and her soul makes a first step to healing.

An addictive read that is sure to spark conversation wherever baseball is spoken, this updated edition of *The Baseball Maniac's Almanac* is part reference, part trivia, part brain teaser, and absolutely the most unusual and thorough compendium of baseball stats and facts ever assembled—all verified for accuracy by the Baseball Hall of Fame. In its pages, renowned sportswriter Bert Randolph Sugar presents thousands of fascinating lists, tables, data, and stimulating facts. Inside, you'll find: Highest batting averages not to win batting titles Home-run leaders by state of birth Players on last-place teams leading the league in RBIs, by season Most triples by position, season Winners of two "legs" of triple crown since last winner Oldest pitchers with losing record, leading league in ERA Career pitching leaders under six feet tall Managers replaced while team was in first place Hall of Famers whose sons played in the majors Players with palindromic surnames And so much more! Not just a collection of facts or records, this is a book of glorious fun that will astound even the most bookish baseball fan. Read up and amaze your friends!
