In Indian Classical music three saptaks (Octaves) are usually utilized. Saptak : When the set of seven notes is played in the order it is called a Saptak (i.e. Sa, Re, Ga, Ma, Pa, Dha, Ni). In the keyboard or harmonium the Sa gets repeated after Ni. The frequency of 2 nd Sa is twice the frequency of first Sa.

An Introduction to Hindustani Classical Music: A Guidebook for Beginners is Vijay Singha's comprehensive guide to savour and appreciate classical music. Written in a simple and easy-to-comprehend style, this book delves into the understanding of raga sangeet, semi-classical and fusion music, raga sangeet in Hindi films, as well as the future of classical music in India.

Wallace Stevens is one of the major poets of the twentieth century, and also among the most challenging. His poems can be dazzling in their verbal brilliance. They are often shot through with lavish imagery and wit, informed by a lawyer's logic, and disarmingly unexpected: a singing jackrabbit, the seductive Nanzia Nunzio. They also spoke--and still speak--to contemporary concerns. Though his work is popular and his readership continues to grow, many readers encountering it are baffled by such rich and strange poetry. Eleanor Cook, a leading critic of poetry and expert on Stevens, gives us here the essential reader's guide to this important American poet. Cook goes through each of Stevens's poems in his six major collections as well as his later lyrics, in chronological order. For each poem she provides an introductory head note and a series of annotations on difficult phrases and references, illuminating for us just why and how Stevens was a master at his art. Her annotations, which include both previously unpublished scholarship and interpretive remarks, will benefit beginners and specialists alike. Cook also provides a brief biography of Stevens, and offers a detailed appendix on how to read modern poetry. A Reader's Guide to Wallace Stevens is an indispensable resource and the perfect companion to The Collected Poems of Wallace Stevens, first published in 1954 in honor of Stevens's seventy-fifth birthday, as well as to the 1997 collection Wallace Stevens: Collected Poetry and Prose.

The author also includes an astute musical analysis of each piece, one that casual music lovers can easily appreciate and that musicians and more serious fans will find invaluable. The book also includes basic information such as the various movements of the work, the organization of the chorus and orchestra, and brief historical notes on early performances." "Choral Masterworks will appeal not only to concert goers and CD collectors, but also to this vast multitude of choral performers."--Jacket.

A detailed and comprehensive guide to all sixty poems in the AQA Poetry Anthology. Each poem is carefully explained in its context and then minutely analysed. Unfamiliar words are explained, there is a comprehensive glossary of poetic terms, advice on how to answer examination questions and sixteen model answers based on specimen questions supplied by AQA.
