It is something new, a show tailored to the nature of the events of 9/11, and to the response it has elicited.

Here Is New York

HERE IS NEW YORK is not a conventional gallery show. It is something new, a show tailored to the nature of the event, and to the response it has elicited. The exhibition is subtitled "A Democracy of Photographs" because anyone and everyone who has taken pictures relating to the tragedy was invited to submit their images to the gallery, where they were digitally scanned, printed and displayed on the

Here Is New York

'Here Is New York' There are roughly three New York's. There is, first, the New York of the man or woman who was born there, who takes the city for granted and accepts its size, its turbulence as natural and inevitable. Second, there is the New York of the commuter – the city that is devoured by locusts each day and spat out each night.

Essay That Anticipated 9/11

Read Free Here Is New York A Democracy Of

Written during the summer of 1948, well after the author and editor had taken up permanent residence in Maine, Here Is New York is a fond glance back at the city of his youth, when White was one of the "young worshipful beginners" who give New York its passionate character. It's also a tribute to the sheer implausibility of the place--the tangled infrastructure, the teeming humanity, the dearth of air and light.

Here is New York is amazing book, perhaps the most succinct and apt description of New York City ever put on paper. In the hands of E.B. White, NYC is at once a city of inches and multitudes, of loneliness and excitement, of riches and squalor, of permanence and transience. The particulars of the city have changed, as White himself admits, but the first half of the book could well have been written yesterday instead of 1949.

The introduction to E. B. White's "Here is New York" was written by Roger Angell, who was White's stepson. Angell explains about time in which White wrote about New York and how things have changed. White himself had things in his story that had already changed when it was published but didn't want to change it for the reader. He wanted the...
