This timely business book offers cutting-edge job seeking tips to professionals who have survived the recent recession intact and now want an exit strategy. American workers are disengaged, cranky, and looking for something better. Suffering from daily exposure to the low morale among their coworkers, these Americans are what Elizabeth Lions calls the survivors of recession. Times have changed since a candidate last looked for job. Social media and posting resumes online are now the norm. Career seekers need to know that many old job search techniques are no longer effective, and what works now. Don't get left behind. *I Quit!* is not just a how-to book. It is rich in theories that empower job candidates to focus on their

## Where To Download I Quit Working For You Isn't Working For Me

needs. Most job-related books teach readers how to be chosen. This book teaches them to be the choosers and to choose wisely. *I Quit!* describes an internally driven process, rather than an externally driven one. Prior to becoming an accomplished author, professional speaker and executive coach, Elizabeth Lions started her career as a headhunter on the west coast. She had the pleasure of working with the leaders of Microsoft, EBay, Flir and Intel, just to name a few. It was during the private meetings in their conference rooms that she discussed and transitioned those to lay off and who to hire.

Elizabeth knows why a person gets hired, fired or promoted before they do. Her intention is to share this information with career seekers. For the greater good of connecting the right candidates to the right jobs, Elizabeth hopes to foster unity where there once was confusion and aggravation.

themselves that speaks to their competencies, purpose, passion, and values.

**AWARDS:** Independent Publisher Book Award 2015 (Silver) and National Mature Media Award 2015 (Bronze) Step-by-step tips for revitalizing your career Yes, it is possible to have a job you love, and it doesn't require starting from scratch. *Love Your Job* is a guide to making work fulfilling and fun — again, or even for the first time. Why count down the hours of the day or the days to retirement when you could reinvigorate your workday, transforming the daily doldrums into a daily dose of enjoyable activity? Kerry Hannon, The New York Times columnist and AARP's Jobs Expert, focuses on the little things that can make a big difference in how we feel about work. *Love Your Job* is all about the routines, habits, and

## Where To Download I Quit Working For You Isn't Working For Me

thought patterns that, over the years, may have turned a dream job into a drudge or, worse, a nightmare. Changing these habits and attitudes is simple, and this book shows you how to identify the little things that make work enjoyable and engaging. Using these simple techniques, you can adopt the attitude that will keep you happy and that might just lead to bigger and better things, no matter what stage of your career you are in. In this book, you will learn to:

- Develop new habits that bring more purpose into every single workday
- Rekindle your hope and motivation by celebrating small successes
- Recognize negative patterns that keep you from enjoying your job
- Craft an entrepreneurial attitude that will get you noticed and enrich your work life

We all deserve to experience happiness and satisfaction every day, at every stage of our careers. Kerry Hannon explains that you don't have to make a huge career

York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice!

There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a

Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No*
