Inclusion opens a world of opportunities for special education and non-English-speaking students. It provides a means for teaching same-age children in the same classroom, regardless of physical, mental or speech barriers. At the primary level, inclusion helps young children form positive ideas about persons who are different.

~~Why Inclusion Is Important in Primary Education~~

Here are a few strategies for teachers to support inclusion in the classroom. The list is not exhaustive but it is a useful starting point for discussing what we can do. 1. Know your learners. If a pupil has SEND (Special Educational Needs and Disability), find out about it and ask your SENCO (Special Educational Needs Coordinator) for a summary.
