Latin for Americans by B L Ullman and Charles Henderson is the best Latin textbook series on the market today. I purchased all three books. It is available as Level 1, 2 and 3. It has vocabulary, Roman culture, grammar, exercises, a Latin paragraph to read and translate and excellent pictures in every chapter of the book.

Most of these books are written by Latin American writers, not Latina/o authors. The difference is nuanced and problematic, but there is an equally significant difference between writers from South and Central America, and Mexico, and those writers of Latin American or Hispanic ancestry writing in the United States, i.e. Latina/o writers, who ...

Developed by the University of Cambridge School Classics Project, this bestselling Latin program provides an enjoyable and carefully paced introduction to the Latin language, complemented by background information on Roman culture and civilization. Following in the footsteps of two fugitives from the destruction of Pompeii, Unit 2 captures the drama of the daily lives of the inhabitants of two very different provinces at opposite ends of the Roman empire, Britain and Egypt.

One of WW2 Reads "Top 20 Must-Read WWII Books of 2018" • A Christian Science Monitor Best Book of September • One of The Progressive's "Favorite Books of 2018" "Masterful...not only filled with engrossing history but includes a cast of characters who could be the subject of Hollywood movies." –San Francisco Chronicle "Riveting...McConahay is a seasoned storyteller. Her stories are gripping, especially when she dives deep into little-known waters." –The Wall Street Journal "Fascinating...In McConahay's telling, wartime Latin America is a hotbed of skullduggery, violence, and cinematic propaganda straight out of Hollywood." –Christian Science Monitor The gripping and little known story of the fight for the allegiance of Latin America during World War II The Tango War by Mary Jo McConahay fills an important gap

in WWII history. Beginning in the thirties, both sides were well aware of the need to control not just the hearts and minds but also the resources of Latin America. The fight was often dirty: residents were captured to exchange for U.S. prisoners of war and rival spy networks shadowed each other across the continent. At all times it was a Tango War, in which each side closely shadowed the other's steps. Though the Allies triumphed, at the war's inception it looked like the Axis would win. A flow of raw materials in the Southern Hemisphere, at a high cost in lives, was key to ensuring Allied victory, as were military bases supporting the North African campaign, the Battle of the Atlantic and the invasion of Sicily, and fending off attacks on the Panama Canal. Allies secured loyalty through espionage and diplomacy—including help from Hollywood and Mickey Mouse—while Jews and innocents among ethnic groups—Japanese, Germans—paid an unconscionable price. Mexican pilots flew in the Philippines and twenty-five thousand Brazilians breached the Gothic Line in Italy. The Tango War also describes the machinations behind the greatest mass flight of criminals of the century, fascists with blood on their hands who escaped to the Americas. A true, shocking account that reads like a thriller, *The Tango War* shows in a new way how WWII was truly a global war.

The Study Books are designed to be used in conjunction with the core books of the Cambridge Latin Course. Student's Study Book II: Answer Key provides informative and comprehensive answers to the exercises in Student Study Book II. The Key will be of use to teachers, students and independent learners. Clearly structured answers are given for material which includes a rich variety of comprehension and translation exercises; activities to practise the language and grammar; vocabulary checklists; investigations into Roman civilisation and revision sessions.

This textbook integrates domestic and international factors for understanding Latin American politics. The thematic structure of the book is to utilize three different levels of analysis to explain Latin American politics: international, national, and local. This approach has the benefit of incorporating the dynamics of globalization while also including political factors more at ground level, including the influence of subaltern groups. Although there may be important international influences on domestic politics, they interact with and are mediated by national political figures and grassroots activists. The book has four sections: Theoretical and Historical Background; Mexico, Central America, and the Caribbean; The Andean Region and Venezuela; and Brazil and the Southern Cone. Each chapter contains key
