The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Depending upon the grade level, students practice the following skills: Alphabet Knowledge, Phonemic Awareness, Inquiry, Phonics, Comprehension, Spelling, Vocabulary, Writing, Grammar, Mechanics, and Usage. Each workbook has all the worksheets conveniently organized by lesson. These worksheets provide students the opportunity to practice and apply the skills they are learning.
