"Leisa has a truly unique gift and has designed a path that will transform your relationship with money."—Grant Sabatier, author of *Financial Freedom* and creator of *Millennial Money*

In the world of personal finance the biggest challenge is the sense that there's never going to be enough. It is this mindset of scarcity, and not the amount spent on lattes, that holds people back the most from achieving their financial dreams. Using techniques she's developed as a financial planner and spiritual coach, Leisa Peterson guides you to dig deeper and discover the root of your financial thinking to change not just the way you save and spend, but the way you live your life. Through powerful practices, compelling stories and extensive research, *The Mindful Millionaire* meets you wherever you are in your money journey by exploring:

- *Where your current money habits come from and why you feel the way you do about money and success.
- *How to break the cycle of fear, grief, and shame that often surrounds your money habits.
- *How to write a new money story that inspires joy, satisfaction and prosperity.
- *Why wealth building isn't just about positive thinking and "manifesting" things into reality.
- *How to stop financial self-sabotage and procrastination.
- *Where practical financial advice misses the mark.
- *The most effective tools for changing how you think and feel about money.
- *What true financial independence looks like and how to discover the millionaire within.

Rather than waiting for a stroke of fate to change your situation, you can immediately begin to work with your most powerful ally — your own subconscious mind. When you do this by applying the specific and easy-to-learn principles presented here, success soon follows. By imprinting a personal success formula on your subconscious, you can program yourself to succeed, instead of failing by default or, even worse, never trying in the first place. Too often you hear religious hypocrites and people of the world say that "It is wrong for God's People to have money" or "A minister should not have money". But what does God say? In fact, God says the exact opposite. God says throughout His Word that you are supposed to be rich. This is the wealth that comes as a Blessing from God. "The blessing of the Lord brings [true] riches, And He adds no sorrow to it [for it comes as a blessing from God]." (Proverbs 10:22 - Amplified Bible) Furthermore, these religious hypocrites and people of the world are more concerned with God's People obtaining wealth righteously than with evil people obtaining wealth unrighteously. Be not deceived. When evil businesses and CEOs make billions of dollars a year storing up wealth in banks and not putting their finances to good use. Religious hypocrites and people of the world have no problem with it. They will cheerfully go and give their hard earned money to be used for selfish pleasures or corruption by evil. But when a true Man/Woman of God put money to good use, not store it up but release it into the community, build people up, make way for charity, help the sick, and save the lost, religious hypocrites and the people of the world have a problem with it. My friends this must not be. God is not pleased by these flawed beliefs. You must have the Mind of Christ, which is to know what God says about money. In this book, supported by real life experiences and backed by the Word of God, i.e. the Bible, I explain How God Made Me A Millionaire.

Born in poverty in a staunch nationalistic apartheid era in South Africa and surrounded by religious fanaticism, this autobiography traces his growth from humble beginnings to owning one of America's 500 Fastest Growing private companies.
