Randolph, I hope  
what you are asking  
is font colour if so  
then the steps to  
follow to change the  
font colour are this:  
select a file then  
choose preferences,  
then select user  
preferences. click  
on basic tab and  
select default fonts.  
At this point select

you can also change  
your style and or  
size then click ok  
when your done.
