Magills Medical Guide Set Salem

A 2015 National Health Information Award Winner Covers diseases, disorders, treatments, procedures, specialties, anatomy, biology, and issues in an A-Z format, with sidebars addressing recent developments in medicine and concise information boxes for all diseases and disorders. The publication of the eighth edition of Salem Press' bestselling Magill's Medical Guide continues the tradition of providing reference content in both printed and online form as a single product.

Salem Press - Magill's Medical Guide

It is an up-to-date and easy-to-use compendium of medical information suitable for student research as well as general readers, including patients and caregivers. Now in its seventh edition, Magill's Medical Guide contains 1,200 entries in five volumes. Many essay topics are completely new to this edition, and all entries from the previous edition have been evaluated and updated by a panel of Medical Editors to ensure their currency and accuracy, as needed.
