loosening of parental support is the single most effective way to encourage kids to climb higher, try new things and grow from mistakes, and to develop character and strength. Offering the ten building blocks or "planks" of an effective scaffold--from laying a solid foundation and setting limits and minimizing cracks--he expertly guides parents through the strategies they need to raise empowered, capable kids while building parent-child bonds that will survive adolescence and grow stronger into adulthood"--

A groundbreaking guide to raising responsible, capable, happy kids Based on the latest research on brain development and extensive clinical experience with parents, Dr. Laura Markham ' s approach is as simple as it is

Online Library Making Children Mind Without Losing Yours

effective. Her message: Fostering emotional connection with your child creates real and lasting change. When you have that vital connection, you don't need to threaten, nag, plead, bribe—or even punish. This remarkable guide will help parents better understand their own emotions—and get them in check—so they can parent with healthy limits, empathy, and clear communication to raise a self-disciplined child. Step-by-step examples give solutions and kid-tested phrasing for parents of toddlers right through the elementary years. If you're tired of power struggles, tantrums, and searching for the right “consequence,” look no further. You're about to discover the practical tools you need to transform your parenting in a positive, proven way.

Want children who are patient, kind, humble, thankful, and respectful? Who have a good work ethic, strong character, and a healthy self-image? Who succeed in all areas of life--personally, professionally, and relationally--to the best of their ability? You can't force your kids to be grateful for everything you do, but you can raise successful, responsible kids who grow into adults you can be proud of. With his signature wit and wisdom, international parenting expert Dr. Kevin Lemmon reveals eight no-nonsense strategies that build on the foundations of character, good behavior, respect, discipline, and a winning attitude. He shows you how to - expect the best to get the best - minimize friction and optimize solutions - put your relationship first - and much more It is possible to raise a successful child in a "whatever"
