How to Create a Training Plan. You have to consider several factors as you create a new employee training plan. It includes the audience, budget, availability of trainers, and more. If you want to have a clearer idea about this, you may refer to a staff training and development plan template or a sample training plan. Now, are you ready to come up with an effective training design?

## FREE 22+ Sample Training Plan Templates in Google Docs ...

In order to write a training plan, we first need to complete a Training Needs Analysis (TNA) to identify the training/learning needs of the people in our organization. So what should be in a training plan? The training plan should include all topics, knowledge and skills that you need your team to be able to do.
