Praise for Crime Classification Manual "The very first book by and for criminal justice professionals in the major case fields. . . . The skills, techniques, and proactive approaches offered are creatively concrete and worthy of replication across the country. . . . Heartily recommended for those working in the 'front line' of major case investigation." -John B. Rabun Jr., ACSW, Executive Vice President and Chief Operating Officer, National Center for Missing and Exploited Children "[CCM] is an outstanding resource for students pursuing forensic science degrees. It provides critical information on major crimes, which improve the user's ability to assess and evaluate." -Paul Thomas Clements, PhD, APRN-BC, CGS, DF-IAFN Drexel University Forensic Healthcare Program The landmark book standardizing the language, terminology, and classifications used throughout the criminal justice system Arranged according to the primary intent of the criminal, the Crime Classification Manual, Third Edition features the language, terms,
