In groups, students summarized and presented, in a creative format of their choice, a concept from Nelson Science & Technology Perspectives 8 Chapter 4: Cells - The Basic Units of Life. Below is a compilation of the presentations:

Science - Ms. Pais's Class

Nelson Science and Technology Perspectives was developed with the understanding that each student comes to the classroom with a different level of readiness, unique interests, and individual learning styles. Here are some of the ways our resources offer practical and manageable ways to differentiate content, process, and product.
