including a complete eText of your book. You can also buy immediate access to MyPsychLab with Pearson eText online with a credit card at [www.mypsyhlab.com](http://www.mypsyhlab.com). The most authoritative and comprehensive text in Abnormal Psychology, now with DSM-5 coverage throughout. The esteemed author team of Jim Butcher, Jill Hooley, and Sue Mineka offers students the most thoroughly researched, engaging, and up-to-date explanation of psychopathology, creating a learning experience that provokes thought and increases awareness. By adopting a comprehensive bio-psycho-social perspective, this text takes students to levels of understanding that other books do not offer. The 16th edition of Abnormal Psychology reflects the revision of the Diagnostic and Statistical Manual (DSM-5). Hundreds of new references

In REVEL for "By the People," author Jim Fraser tells resonant stories of the many different people who have shaped the United States as it is today - from everyday women and men to the most important leaders of their day. By leveraging both the relatable and remarkable people in U.S. history, REVEL for "By The People "empowers students to focus on historical analysis and interpretation rather than simply memorize information. The result? A class full of historical thinkers who see themselves in history, and who may be inspired to join the list of those who have helped build a better, more hopeful country. REVEL(TM) is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL offers an immersive learning experience designed for the way today's students read, think,

## Access PDF New Myspsychlab With Pearson Etext Standalone Access Card For

and learn. Enlivening course content with media interactives and assessments, REVEL empowers educators to increase engagement with the course, and to better connect with students.
