I need to keep my secret, figure out a way to survive, stay focused. But when the Zandian warriors claim me, they make me forget my past and scream with pleasure. I can't let myself fall for them. If they learn my secret, I'll lose more than my life. I'll lose my heart.

THEY BOUGHT ME AT  
AUCTION--CLAIMED ME AS THEIRS.  
Two purple, horned males with  
massive chests and arms as thick as  
my waist. They're taking me to Zandia

trouble--I'm already pregnant. And if  
my former master finds me, he'll tear  
me to pieces once his young is born.

My new masters are firm, but kind. They give far more pleasure than pain. Their planet is beautiful. But when they find out my secret, I have no doubt they'll cast me out. And my life will be forfeit. Because no human female with a bounty on her head survives a lunar cycle alone.

TWO ZANDIAN WARRIORS. THEIR FEISTY HUMAN CAPTIVE. I can fly a fighter jet in my sleep and kill with the fingers of one hand. I work alone. No being in the galaxy can challenge me--until I tangle with two Zandian warriors. They say I stole their cargo, and they plan to take me to their planet. Make me theirs. Nobody owns me. I
