NO PERFECT PEOPLE ALLOWED Traditionally when someone finds a "what we believe" link on a church website they find an abbreviated, "canned" commentary on various doctrines the church adheres to. We, at Church by the Glades, are not very good at being "canned." Instead, we value being original, creative and, above all, honest.

You've heard it all before. The promises for a better life get tiresome after awhile, because you know they don't deliver. However, they do touch on a profound and inescapable truth: You were created to live your life out of a rewarding, richly textured relationship with God and others—and deep down, you long to experience that kind of life. But how?Are you willing to devote sixty days to finding out?Soul Revolution may be one of the most important books you'll ever read. In it, author and pastor John Burke guides you on a journey of experiential discovery. Called the "60-60 Experiment," it has already made a profound impact on thousands who have discovered what it means to actually "do life" with God.

What should you be prepared to do to help new Christians escape the temptations of their old lifestyles? How should you respond to the problems of divorce, drug addiction, homosexuality, and child abuse? How can you equip yourself to keep new believers from slipping through the cracks back into the world?

Why were sinners so attracted to Jesus yet repelled by the religious? It had everything to do with the heart of Jesus. They sensed that Jesus was for them—not against them. When broken, sinful people feel repelled by Christians, we must assess whether our hearts reveal the heart of God or reflect the heart of the Pharisees. Through this engaging study of Jesus's encounters with imperfect people, combined with real-life stories of ordinary people having Christlike impact, readers will learn how to show unshockable love toward those around them.

To young Christians of the world, Pope Francis has a message for you: "Christ is alive, and he wants you to be alive!" In his fourth apostolic exhortation, Christus Vivit, Pope Francis encapsulates the work of the 2018 synod of bishops on "Young People, The Faith, and Vocational Discernment." Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment Christus Vivit is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. "May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us."

In 2015, John Burke's Imagine Heaven took the book world by storm, landing on the New York Times bestseller list and selling more than half a million copies. Its exhilarating picture of heaven, drawn from Scripture and illustrated with true stories of near-death experiences, enthralled readers and offered real-life evidence that supported their faith and answered some of their most pressing questions about life after death. Scripture tells us to "Think about the things of heaven, not the things of earth" (Col. 3:2). Now readers can meditate daily on the realities of heaven with the Imagine Heaven Devotional. Each of the 100 devotions includes near-death stories from the bestselling book, Scripture, a prayer, as well as brand new stories and content that helps readers apply these heavenly promises to how they live life today.

It's obvious from the bookshelves and the big screen that heaven is on everyone's mind. All of us long to know what life after death will be like. Bestselling author John Burke is no exception. For decades, he has been studying accounts of people who have had near-death experiences (NDEs). While not every detail of individual NDEs correlate with Scripture, Burke shows how the common experiences shared by thousands of survivors clearly point to the God of the Bible and the exhilarating picture of heaven he promises. Imagine Heaven is an inspirational journey through the Bible's picture of heaven, colored in with the real-life stories of heaven's wonders. Burke compares gripping stories of NDEs to what Scripture says about our biggest questions of heaven: Will I be myself? Will I see friends and loved ones? What will it look like? What is God like? What will we do forever? What about children and pets? This book will propel readers into an experience that will forever change their view of the life to come and the way they live life today. It also tackles the tough questions of heavenly reward and hellish NDEs. Anyone interested in NDEs or longing to imagine heaven more clearly will enjoy this fascinating and hope-filled book.

Discover the wonder of a life with God you can't contain. The pages of scripture are full of ordinary people who walked with God as he poured himself out through them to a world in need. What if God never changed? What if he is still speaking to us and longing to work miraculously through us? What if it isn't a matter of more training or effort but simply receiving and releasing everything he already purchased? "Life in the Overflow" invites you to know God intimately as your Daddy in a way that spills out of you naturally. Filled with disarming honesty and fervent expectation, this book mirrors a reflection of who you are, who your God is and what he actually longs to do through "ordinary, messy kids" today!

"It was the best of church, it was the worst of church..." [not Charles Dickens] In some ways, the church has a horrendous track record and is deserving of much of the hate, accusation and mistrust it has received. But, in many other ways, the church has also been monumental in affecting great systemic change, being first on the scene in crisis and on the forefront of reaching out to and loving well those considered the least of these. To those of you who believe church is the worst thing ever: You're right! To those of you who believe church is the best thing ever: You're right! The church was God's idea and it is the plan He has chosen to bring transformation to a world desperately in need of a deeper experienceof His love. He doesn't appear to have a plan B. We are it! I call this book, 'I, church' because more than a building or a meeting or a list of do's and don'ts, the church is about the people. It is about me. And it is about you. If you love Jesus and have chosen to follow Him, then you are the church. Let's figure out together how to be the best church we can be. "Brett Anderson weaves a picture of the church that is stark and real. He sees through church politics and denominational blinkers and defines the core of what the church is and isn't and what God desires it to be." [Bruce Collins, legend and appreciator of good coffee]
