The Only Harmless Great Thing is a story of cancer, a story of martyrdom, a story of stories. It's about love of community, love of family, and righteous anger at those who would destroy those two precious things. It's the story of a dying woman and the elephant who tried to stop humanity from killing one another for profit.

Poem: The Elephant by John Donne - PoetryNook.Com

The Only Harmless Great Thing is a wee-ninsy little slip of a novelette detailing an alternate history where elephants are what most of humanity would recognize as sentient (they seem pretty damned sentient to me in this reality, but you get my drift).
