A song of David. Psalm 23 is the best known and most beloved psalm in the collection. Surprisingly, it casts humanity as sheep—stupid, helpless sheep. But the long-lasting appeal of Psalm 23 is a direct result of that casting because the imagery is both soothing and accessible.

When Psalm 23 became personal. While meditating on Psalm 23 today, I gained some brand new insights. I've read and listened to this Psalm all my life, so popular that it is the passage of Scripture known by most everyone, even non-believers. While this is a Psalm 23 commentary of sorts, I've put a personal spin on this passage and the way ...

Song of the Shepherd invites us to enjoy a relationship of intimacy and grace, finding true peace and contentment as we learn to depend on God day by day.

Roper looks at this restful Christian image from the perspective of twentieth century restlessness. He gives portrayals of the contented follower in an age of dissatisfaction, the trusting follower in an age of doubt and deceit, and the restful follower in an age of activism.

Offers a fresh perspective on the popular Psalm, discussing the meaning of each section

With over 2 million copies sold, Phillip Keller's beloved contemporary classic spans the decades with its uplifting insights on Psalm 23. Pairing Keller's sublime reflections with the New International Version, this edition sheds light for a new generation of readers on the nature and ways of sheep---and of the Good Shepherd who cares for them."

How do you go from trying to end your life, to having a life that you could never imagine even if you tried? Let me start by saying that this book is first and foremost about God and what He has done to bring me to the solid rock on which I stand. It isn't about me. The roads we choose in life are often not the paths we thought we would travel. God will often place obstacles in the way, hurdles we must jump, mountains that He will teach us to climb. Trust is learning to be obedient even when we do not understand, yet we continue the journey. Faith is believing what we cannot see; yet knowing He will unveil it along the way. I am a suicide survivor and although the path wasn't easy, I would live it all over again if it brought me to where I stand today. To those who are hurting or stuck in the storms of life, I pray you learn to surrender the fears of the unknown to the One who not only knows the beginning, but also knows the end to your own story. Letting go and letting God is the test, the testimony is how you handled it along the way. Do not give up. I am living proof that He is not only in the valleys with you but is also waiting beside the still waters. In all things, give thanks; even the schmock because that is what makes you the strongest.

Presents an illustrated version of the King James translation of the Twenty-third Psalm.

A 7-session study of Psalm 23 that will explore the depths of God's compassionate care.
