They called her Rabbit. Patricia Williams (aka Ms. Pat) was born and raised in Atlanta at the height of the crack epidemic. One of five children, Pat watched as her mother struggled to get by on charity, cons, and petty crimes. At age seven, Pat was taught to roll drunks for money.

Nominated for the NAACP Image Award for Outstanding Literary Work "An absolute must-read" – Shondaland "[Rabbit] tells how it went down with brutal honesty and outrageous humor" – New York Times They called her Rabbit. Patricia Williams (aka Ms. Pat) was born and raised in Atlanta at the height of the crack epidemic. One of five children, Pat watched as her mother struggled to get by on charity, cons, and petty crimes. At age seven, Pat was taught to roll drunks for money. At twelve, she was targeted for sex by a man eight years her senior. By thirteen, she was pregnant. By fifteen, Pat was a mother of two. Alone at sixteen, Pat was determined to make a better life for her children. But with no job skills and an eighth-grade education, her options were limited. She learned quickly that hustling and humor were the only tools she had to survive. Rabbit is an unflinching memoir of cinematic scope and unexpected humor. With wisdom and humor, Pat gives us a rare glimpse of what it's really like to be a black mom in America.

That's how things go in the 'hood: It's a never ending cycle of trouble, and once it grabs you, it won't let go. Patricia started life on the lowest rung of society: poor, black, and female. With an alcoholic for a mother and four siblings, she was raised on a steady diet of welfare, food stamps and cigarette smoke. By the age of 15 she had two children, and by the age of 16 she was dealing drugs to support her young family. Growing up in a family that had been stuck in the ghetto for generations, it seemed impossible Patricia would ever escape. But when she was shot be a rival drug dealer in front her own children, Patricia made the life-changing decision to turn it all around. With a combination of grit, stubbornness, anger and love – and the kindness of others – she fought to break the cycle of poverty for the next generation. Now a stand-up comedian performing as Ms. Pat, she lives the maxim that the best healing comes through humour.

Finalist for an NAACP Image Award for Outstanding Literature Finalist for a 2018 Southern Book Prize for Biography and History "An absolute must-read" – Shondaland "[Rabbit] tells how it went down with brutal honesty and outrageous humor" – New York Times "I know a lot of people think they know what it's like to grow up in the hood. Like maybe they watched a couple of seasons of The Wire and they got the shit all figured out. But TV doesn't tell the whole story." – Ms. Pat They called her Rabbit. Patricia Williams (aka Ms. Pat) was born and raised in Atlanta at the height of the crack epidemic. This extraordinary story of courage and faith is based on the actual experiences of three girls who fled from the repressive life of Moore River Native Settlement, following along the rabbit-proof fence back to their homelands. Assimilationist policy dictated that these girls be taken from their kin and their homes in order to be made white. Settlement life was unbearable with its chains and padlocks, barred windows, hard cold beds, and horrible food. Solitary confinement was doled out as regular punishment. The girls were not even allowed to speak their language. Of all the journeys made since white people set foot on Australian soil, the journey made by these girls born of Aboriginal mothers and white fathers speaks something to everyone.

A woman diagnosed with dissociative identity disorder reveals her harrowing journey from abuse to recovery in this #1 New York Times bestselling autobiography written by her own multiple personalities. Successful, happily married Truddi Chase began therapy hoping to find the reasons behind her extreme anxiety, mood swings, and periodic blackouts. What emerged from her sessions was terrifying: Truddi's mind and body were inhabited by the Troops–ninety-two individual voices that emerged to shield her from her traumatizing childhood. For years the Troops created a world where she could hide from the pain of the ritualized sexual abuse she suffered at the hands of her own stepfather–abuse that began when she was only two years old. It was a past that Truddi didn't even know existed, until she and her therapist took a journey to where the nightmare began... Written by the Troops themselves, When Rabbit Howls is told by the very alter-egos who stayed with Truddi Chase, watched over her, and protected her. What they reveal is a spellbinding descent into a personal hell–and an ultimate, triumphant deliverance for the woman they became.

When this beach bunny caught the eye of Hugh Hefner at an L.A. nightclub, Izabella St. James was looking for a fun break from studying for the bar. As the latest Girlfriend of the Playboy founder, her 'break' lasted two years, but life behind the gates of the Playboy Mansion was anything but fun. Sure there were parties, presents, puppies, and plastic surgery; but there was also a curfew, a strict regimen of who sits where on movie night, limited contact with the outside world, and a sex life that was anything but wild and crazy. While the E! reality show, The Girls Next Door, has been a ratings hit, each of the three Playboy Bunnies in the series has since left the Mansion in newsworthy ways: one is engaged to a football player, and Hugh's 'main' Girlfriend has finally understood that there would be no fairy-tale marriage and family with the man she literally transformed her life for. Izabella was there to witness how each of these relationships formed, where each Girlfriend fell in the pecking - and bed - order, and when, exactly, the fabled life turned shabby and cheap. From catfights to sneaking in boyfriends, from high-profile guests in the Grotto to the bizarre rituals of the octogenarian at the center of the sexual revolution, Bunny Tales is compulsively readable and endlessly entertaining!

Carol Tyler has been a professional (and highly acclaimed) cartoonist for over 20 years, appearing in such venues as Weirdo, Wimmen's Comix, and Drawn & Quarterly magazine. But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with hurrahsas well they should be, because she's one of the most skillful, caustic, and emphatic cartoon storytellers of her generation. This new book presents the biggest, richest and most delightful collection of Tyler's work to date featuring many new and previously unpublished works. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}

The real, untold, and unvarnished story of life inside the legendary Playboy Mansion–and the man who holds the key–from the woman who was Hef's #1 girlfriend and star of The Girls Next Door. A spontaneous decision at age twenty-one transformed small-town Oregon girl Holly Sue Cullen into Holly Madison, Hugh Hefner's #1 girlfriend. But like Alice in Wonderland after she plunged down the rabbit hole, what seemed like a fairytale life inside the Playboy Mansion–including A-list celebrity parties and her own #1-rated television show–quickly devolved into an oppressive routine of strict rules, manipulation, and battles with ambitious, backstabbing bunnies. Losing her identity, her sense of self-worth, and her hope for the future, Holly found herself sitting alone in a bathtub contemplating suicide. But instead of ending her life, Holly chose to take charge of it. In this shockingly candid and surprisingly moving memoir, this thoughtful and introspective woman opens up about life inside the Mansion, the drugs, the sex and the infamous parties, as well as what her relationships with her Girls Next Door co-stars, Bridget and Kendra were really like. Holly talks candidly about a subsequent abusive relationship, her own successful television series, and the hard work of healing, including her turn on Dancing with the Stars. A cautionary tale and a celebration of personal empowerment, Down the Rabbit Hole reminds us of the importance of fighting for our dreams–and finding the life we deserve.
