Reading Wings Success For All

Wings is based on years of evidence-based practice and research that supports and challenges both basic and more competent readers to develop their skills through reading a wide range of carefully selected texts. In Wings, children are grouped according to their reading age rather than their year group or special educational need.

Success for All provides a highly effective, consistent whole-school teaching and learning approach termed 'Co-operative Learning'. The explicit aim is to enable children to maximise progress and to become highly-skilled, independent learners. Co-operative Learning is the bedrock of the entire programme and is a strategy which has been researched, developed and refined by the Success for All team since the 1980's.
