campaign to repel the Japanese 4x4 invasion, the Discovery opened up a whole new market for Land Rover, creating its own niche halfway between the traditional rough and ready Land Rover off-roader and the upmarket Range Rover cruiser. Its strength and the availability of spare parts make it the ideal vehicle to acquire and restore, and its reputation as a rugged workhorse ensures that the first-generation Discovery will be popular for many years to come.

An owners workshop manual for the Range Rover V8.

Covering history, buying, owning and modifying, this edition includes full coverage of models produced since publication of the original book, including the latest Discovery 3 range. New material, new pictures and a fresh design make this a fine addition to the Haynes Enthusiast Guide Series and a useful reference for Discovery owners and prospective owners alike.

This book will be a completely revised and updated version of the Land Rover 90, 110 and Defender Restoration Manual (H600), containing a great deal of new material, particularly on later Defender models which have become available since the original edition.
