Only, there is a problem: Blake's pack is made up of wild wolves--wolves that Remy has been taught since birth to hate and fear. To make matters worse, Blake's pack has long looked down on wolves like Remy--collared wolves who've rejected the Old Ways of Lycans. But as she falls deeper in their feral love, Remy will find that she still has much to learn about the new world she's plunged in, a world that is nothing like the one she's left behind. A world where once she's in, there's no turning back.

WILD ALPHA - The Complete Series (Books 1-4) These bears are built for two things: Speed and Steam. And you 're guaranteed both if you hop on board. Wild Alpha Auto is a family-run exotic-car dealership located high in the mountains of an Idaho resort town. The local bear population skis in the winter, drives fast in the summer, and makes love all year round. What they don 't do is compromise. Because when these bears identify their mate, they go out and get her, regardless of the cost. The series begins with First Bear, a tale of what happens when the prodigal bear returns home to the girl he left behind. The stakes are then upped in Fast Bear, when the black sheep of the family comes back to Wild Summit, and then Faster Bear, when criminal activity is uncovered at the dealership. Ultimately, the series speeds to a conclusion with Fast and Furious Bears in a street-racing finale that literally lights up the night. Each book is a stand-alone that leads into the next, and each book is as hot as the bears and cars that race through its pages. So if brawny shifters and exotic vehicles aren 't your thing, you may want to cover your eyes. But if you appreciate a little speed with your romance, then download the series, settle in, and get ready for more than one long steamy night. \*A Note to the Reader: Wild Alpha stories contain hot, sexy Alpha love. In addition to steamy lovemaking, they also contain some adult language. If sizzling bear shifters and their curvy BBW mates aren 't your thing, you may want to skip this book. But if you're a curvy girl who likes her leading men strong and her action scorching hot, enjoy!
