NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. The House on Mango Street is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes-sometimes heartbreaking, sometimes deeply joyous-Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. " Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one. " —The New York Times Book Review

Can you find real love when you've always got your head in the clouds? Maybell Parish has always been a dreamer and a hopeless romantic. But living in her own world has long been preferable to dealing with the disappointments of real life. So when Maybell inherits a charming house in the Smokies from her Great-Aunt Violet, she seizes the opportunity to make a fresh start. Yet when she arrives, it seems her troubles have only just begun. Not only is the house falling apart around her, but she isn't the only inheritor: she has to share everything with Wesley Koehler, the groundskeeper who's as grouchy as he is gorgeous--and it turns out he has a very different vision for the property's future. Convincing the taciturn Wesley to stop avoiding her and compromise is a task more formidable than the other dying wishes Great-Aunt Violet left behind. But when Maybell uncovers something unexpectedly sweet beneath Wesley's scowls, and as the two slowly begin to let their guard down, they might learn that sometimes the smallest steps outside one's comfort zone can lead to the greatest rewards.

Now a major motion picture starring Cole Sprouse and Haley Lu Richardson! Goodreads Choice Winner, Best Young Adult Fiction of 2019 In this #1 New York Times bestselling novel that ' s perfect for fans of John Green ' s The Fault in Our Stars, two teens fall in love with just one minor complication—they can ' t get within a few feet of each other without risking their lives. Can you love someone you can never touch? Stella Grant likes to be in control—even though her totally out of control lungs have sent her in and out of the hospital most of her life. At this point, what Stella needs to control most is keeping herself away from anyone or anything that might pass along an infection and jeopardize the possibility of a lung transplant. Six feet apart. No exceptions. The only thing Will Newman wants to be in control of is getting out of this hospital. He couldn ' t care less about his treatments, or a fancy new clinical drug trial. Soon, he ' ll turn eighteen and then he ' ll be able to unplug all these machines and actually go see the world, not just its hospitals. Will ' s exactly what Stella needs to stay away from. If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn ' t feel like safety. It feels like punishment. What if they could steal back just a little bit of the space their broken lungs have stolen from them? Would five feet apart really be so dangerous if it stops their hearts from breaking too?

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

A chilling look at the near future presents the story of Offred, a Handmaid in the Republic of Gilead, once the United States, an oppressive world where women are no longer allowed to read and are valued only as long as they are viable for reproduction. 25,000 first printing.

The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account.

The sultry, sensual novel of obsession and desire that inspired the Oscar-winning film.

Nothing is Okay is the second full-length poetry collection by Rachel Wiley, whose work simultaneously deconstructs the lies that we were taught about our bodies and our beings, and builds new ways of viewing ourselves. As she delves into queerness, feminism, fatness, dating, and race, Wiley molds these topics into a punching critique of culture and a celebration of self. A fat positive activist, Wiley's work soars and challenges the bounds of bodies and hearts, and the ways we carry them.
