Have you ever made a daring move? Di Jensen is a successful Broadway dancer who makes a bet with bad boy Van Vanzant to dance at Vanz, his exclusive gentlemen's club. The bet? That Di can make more money with one dance than all the rest of the club's dancers combined-without taking her clothes off. Van accepts the bet because he hasn't been able to forget a too brief encounter with Di the year before. He wants to show her he's more than a guy whose name is synonymous with adult entertainment. Despite the fact that Di is drawn to the bad boy in Van, she knows she can't respect a guy in his line of business. But when she dances at his club, the bet turns into something neither will soon forget. Can a bad boy with secrets win the heart of a dancer who dates to make a Scandalous Move? Have you ever done something daring that forced you to step outside your comfort zone? That's the concept behind my new series, Scandalous Moves. In each of these books, you'll see strong, driven women do something out of character that shakes things up in their carefully controlled lives. Through the upheaval, they'll learn that some chances are worth taking because they'll realize a life well-lived consists of possibilities and grand adventures. Even though there are sometimes failures, that just makes the successes all the more sweet.Each of the Scandalous Moves books is a stand alone title, which means you can read any of the books in any order without having read any of the others in the series. The Scandalous Moves Series is a FLAME (SOX) contemporary series not recommended for readers who blush easily! Maybe you've made some Scandalous Moves of your own. Share your stories on Facebook and Twitter using #Scandalous, and be sure to tag me @deborahcatalyst. **Please note, Darad was previously published, but has been edited, revised, and improved with a hot new cover.

" An emotional historical romance! Such a great series! " Goodreads Reviewer. It 's Christmas Eve 1800 and three former lovers reflect on the past, present and future of their turbulent relationship. Two months ago, Lucrene Marlinscar broke two hearts in addition to his own when he ended his scandalous relationship with Vaughan, Marquis of Pennerley and Miss Bella Rushdale. Now alone on his Yorkshire estate, he 's haunted by the events of the past. In Shropshire, unwilling to forgo his obsession, Vaughan takes an icy plunge to retrieve a precious object. Only to then find another such treasure awaiting him in bed. Meanwhile, Bella hardens her resolve, and seeks love beneath the mistletoe. She knows Vaughan will never truly be hers, but can she win enough of his heart that he doesn 't turn her out? Through a series of engaging vignettes, the Ghosts of Christmas Past reveals compelling new details and layers to a complex relationship. This Regency-set historical romance includes M/F, M/M and M/M/F interactions. Please be advised that this is not intended as a standalone title but is best enjoyed as a prelude to the final book in the series. "The characters jump off the pages, the sex is off the charts hot but not gratuitous and Vaughan, so deliciously decadent, evil personified and totally unforgettable." — Goodreads Reviewer.
