Shadows of Doom is okay. I only read it to get a sense of some Realms history, and that's about all I got. Don't read this book to be entertained. Forgotten Realms is a campaign setting for the Dungeons & Dragons fantasy role-playing game. Commonly referred to by players and game designers alike as "The Realms", it was created by game designer Ed Greenwood around 1967 as a setting for his childhood stories. Several years later, Greenwood brought the setting to publication for the D&D game as a series of magazine articles, and the first Realms game products were released in 1987. Role-playing game products have been produced for the setting
