Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly social studies units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge. Each week covers a particular topic within one of the four social studies disciplines: history, economics, civics, and geography. Aligned to the National Council for the Social Studies (NCSS) and state standards, this social studies workbook includes digital materials.

The purpose of this study was to determine the effect of the ALR strategy on student learning in 6th grade social studies. The study was a quasi experimental design for a duration of nine weeks. Three data sources were used to determine the effect of the ALR strategy: 1) pre- and post-tests, 2.) section quizzes, and 3.) student satisfaction surveys. Findings of the study included and increase in student retention of content an increase in student satisfaction. The percentage of increase on the chapter pre-test to post-test score was 13.2% for the treatment group in relation to the comparison group growth of 10%. The final results of the student satisfaction survey indicated higher scores for the treatment group in relation to the comparison group. Further research is needed to generalize the impact of this study.

The Roadmap series works as a year-long companion to earning higher grades, as well as passing the high-stakes 6th Grade Social Studies Ohio Proficiency Test that is necessary for grade level promotion. This book has been designed according to the specific standards set forth by the state of Ohio. Now parents can work with their kids to both improve their grades and pass these important tests. The experts at The Princeton Review have analyzed the OPT, and this book provides the most up-to-date, thoroughly researched practice possible. TPR breaks the test down into individual skills and provides lessons modeled after the OPT to familiarize students with the test's structure, while increasing their overall skill level. The Princeton Review knows what it takes to succeed in the classroom and on tests. This book includes strategies that are proven to raise student performance. TPR provides:

- Content review, detailed lessons, and practice exercises modeled after the actual exam
- Test-taking skills and social studies essentials such as using charts and graphs and reading maps
- 2 complete practice OPTs

Your child is ready to complete his or her primary homeschool programs, which means you need a challenging Social Studies curriculum. myWorld Social Studies: Grade 5B/6 is the final stage in the myWorld Social Studies series. The curriculum for homeschooling uses the best in educational research and effective storytelling techniques to ensure your child completes his or her primary education with a solid grasp of the subject. This step in myWorld Social Studies continues right where Grade 5A left off, giving both you and your child a seamless transition from one curriculum to the next. Additionally, the program will set your child up for their secondary educational journey. By the time you reach the conclusion of myWorld Social Studies, your child should be able to: Use a variety of source types (such as first-hand accounts, textbooks, both fiction and nonfiction texts, etc.) to deepen his or her understanding of important historic events. Understand that not all accounts are accurate and discern between a reliable and unreliable narrator. Display understanding of current events by completing assignments and reports on timely topics. Recall the roots of modern civilization, including facts on ancient Egypt, Greece and Rome. Understand two sides of world events (such as wars). Recount the development of the American colonies and how they became a nation. Participate in community service events. Understand local, state and national governments, and how they work both independently and together. The myWorld Social Studies homeschool program aims to help your child become an active, engaged and responsible citizen while simultaneously learning about important historic events. Additionally, your child will understand geography and how it connects to other areas of Social Studies. For more information about the specific items included in myWorld Social Studies: Grade 5B/6, visit the Features and Benefits page.

Growth Of Our Country (5B) The heart and soul of myWorld Social Studies is the myStory System. We began with the world's oldest educational technique storytelling and applied the latest educational research to create a ground-breaking approach to Social Studies instruction. We connect to students emotions through stories, preparing them to learn, focusing on Social Studies content while reinforcing literacy instruction. Meaningful discussion questions and videos related to the questions will keep your child interested and engaged. myWorld Social Studies is a comprehensive K-6 social studies curriculum designed to lay the ground work for civic competence, so that students develop the knowledge, skills, and values necessary to be active, engaged, and responsible citizens. myWorld Social Studies helps students become actively engaged in Social Studies content through experiences that personalize instruction and make learning meaningful as well as fun. \*\*Please note, some of the product components will be labeled as 5B\*\* Pearson creates education materials for all types of learners. When creating a program, we ensure that the material will be accessible to as many students as possible and as such, we create many ancillary products to fit specific situations to meet a variety of needs. While there are many components to each of our overall educational programs, some of these ancillaries do not meet the needs of homeschoolers, others do not make sense in a homeschool environment and some require an expensive technological infrastructure to deploy. The homeschool product configurations, while selected from a larger program, are complete curriculum bundles designed for your children to be engaged and to thrive, while being mindful of your budget. It is important to note that at times there will be resources mentioned throughout your materials that are not included in your package, however this will not hinder your child's successful completion of the course.

6th graders can reinforce what they learn in school with a workbook from Brain Quest. The book boasts 300 pages jam-packed with curriculum-based activities and exercises in every subject, with a focus on math and language arts. Original full-color illustrations throughout give the book a bright, lively style that will appeal to older kids. It is engaging, user-friendly, and written to make schoolwork fun. Sixth graders will delve into research and analysis, metaphor and meaning, ratios and proportions, expressions and equations, and geometry. The workbook covers spelling and vocabulary, writing, social studies, science, and more. Written in consultation with the Brain Quest Advisory Panel of award-winning teachers specific to each grade level, and with all content aligned with Common Core standards. Plus fun stuff: Each workbook comes with a mini-deck with 100 all-new Brain Quest questions and answers.

Practical strategies, activities, and assessments help teachers differentiate lessons to meet the individual needs, styles, and abilities of students. Each unit of study includes key concepts, discussion topics, vocabulary, and assessments in addition to a wide range of activities for visual, logical,
