Manuals for Portable Music Players (Walkman) | Sony UK

The Sony Walkman portable cassette player was introduced in Japan in 1979 as the TPS-L2, a stereo follow-up to the monaural Sony Pressman. The blue-and-silver device ran on a pair of AA batteries and unlike portable radios of the day, it dispensed with speakers entirely in favor of headphones. In fact, the original Walkman had two headphone jacks.

Headphones are a very popular accessory in this day and age. Just about everyone owns a pair. The quality differs and not all of them meet the needs of their users. The purpose of this guide is to compare the different levels of quality for headphones and the different features of headsets in order to help you make sound judgment when deciding to purchase either one.

In this comprehensive, practical guide, award-winning photojournalist Stacy Pearsall offers the techniques, guidance, and inspiration needed to succeed in the dynamic and exciting field of photojournalism. Starting with an overview of photojournalism and her experience as both a combat and domestic photographer, Stacy covers the basics of preparing for assignments, discussing such key topics as selecting suitable attire for different environments, assembling essential camera gear, developing the right approach for a story, and honing your shooting technique. Beyond the fundamentals, Stacy then dives into the nitty-gritty details of photojournalism work, providing insights into living and working in harsh conditions, maintaining physical and mental health, and managing relationships with subjects. The book interweaves hundreds of Stacy's amazing photographs with stories of her experiences in the field, providing context for advice on everything from navigating unfamiliar locations, to properly exposing your images, to building innovative multimedia projects. Follow her into "the trenches" for the fascinating stories behind the shots, which show by example how to get the best photographs you can, even under the most challenging circumstances. Features stunning full-color images from some of the author's most dramatic moments as a photojournalist. Offers insights on preparing for long-term assignments, working in austere environments, and reintegrating into society after a project. Interweaves photography techniques with advice on interacting with subjects and creating compelling stories.
