No matter how rewarding your full-time job may be, there ' s one thing that ' s even more meaningful than great pay and solid benefits: working for yourself. Choosing the path of entrepreneurship is without a doubt riskier than being content with holding a 9-5 job, and requires way more sacrifice. However, once you ' re reaping the lifestyle benefits of being your own boss and hustling your way ...

65 businesses you can start while working your day job ...

This is a great step-by-step business start up book; but it's 778 pages for no reason. I would recommend "Six-Week Start-Up" over this book. "Start your Own Business" is a better book to have on hand as a reference... "Six-Week Start-Up" is more of a prescriptive book that really provides the steps needed to start a business.

This book will show you how to turn your passion and enthusiasm into a viable commercial opportunity. It is packed full of practical, down-to-earth advice based on the author's own, and other successful entrepreneurs', experience. You'll discover how other people have started successful businesses with nothing else than a great idea, self-belief, and determination. Discover how you can easily: - Research your ideas. - Start your own business at home, from little or nothing. - Get funding for your new business. - Overcome your fears and sell anything to anyone. - Market your business on a shoestring. - Create your own successful niche business in a world dominated by multi-retailers. Paul Power's own successful philosophy is that if your ultimate dream is to run a global franchised network from home but all you can afford is a second hand laptop, then start with the laptop and work your way up. As the entrepreneurs featured in this book will testify, that's how many of today's successful businesses started.

The new edition of this bestselling book for entrepreneurs has been fully updated to offer the most extensive start-up toolkit of invaluable advice and expert guidance. Relevant to entrepreneurs of any experience, it covers absolutely every aspect of starting a business from bullet-proof plans to the best way to structure a business for a successful sell-on later. It includes information on brand management, customer service, marketing, financials and staffing, so you are fully prepared to set sail on your business journey.

Photographers can turn a hobby into a lucrative business with these great tips on how to set up a studio, build a portfolio, take great pictures, purchase the best equipment, find paying jobs, set pricing and more. Davis also discusses the advantages of submitting work to contests, participating in art festivals and displaying work in art galleries and other locales. It covers both full-time and part-time options and discusses operating at home or in a commercial location. Detailed advice is offered on legal issues such as copyright infringement, privacy laws, the difference between public and private property, handling conflict and seeking out available remedies to legal situations.

Turn your passion for horses into a successful business. Full of proven techniques to help you maximize profits and minimize headaches, this practical guide shows you how to create a viable business plan, identify marketing opportunities, and efficiently maintain your facilities.
