Thoughts and Memories: Step by step. I overcame my first hurdle today when I returned to the office at Toh Guan to pick up my effects. The fear of facing up to the people at work (even though I don't work directly with them) presents a clear and present danger for me. I feel very self-conscious, thinking that everyone I meet will be judging ...

The first step involves learning about and how to notice our thoughts, feelings and behaviours. Normally, we simply react to thoughts and feelings rather than notice or question them. Let's use a recent example, when you've been distressed - perhaps something has happened in the past week or so when you've felt particularly anxious, angry, or depressed.

~~**CBT Self Help Course Step 4**~~

Designed for various types of OCD, from "Pure" (thoughts only) to compulsive behaviors, this workbook combines CBT, ERP, and mindfulness strategies into a step-by-step method for confronting intrusive thoughts and behaviors.
