Barbara took liberties with “ Street Of Five Moons ”, 1978, that compromised the mystery, its atmosphere, and believability. The interesting axis are a dead foreigner, a pristinely-forged jewel, and the novel's mystical-sounding title. All three were dropped and there was nothing surreal about them.

What did it mean? The note with the hieroglyphs was found in the pocket of a man lying dead in an alley. The only other item of interest on him was a piece of jewellery, a reproduction of the Charlemagne talisman, but so well done that Vicky Bliss thought she was being shown the real thing. The gold work had been done by a master craftsman; the stones were of top quality synthetic...Vicky didn't know what it meant yet, but in the sundrenched streets and moonlit courtyards of Rome, she was going to find out - if the dangerously exciting Englishman didn't get in her way!

Unknown to regular citizens, nightmarish creatures lurk in the dark underbelly of human civilization. The presence of these supranormals (“supras”)—werewolves, vampires, demons—is a closely guarded government secret, as is the existence of a cadre of specially engineered Hunters charged with exterminating them. Code-named Malice, Hunter Mary Alice Nolan was genetically modified and rigorously trained to use her great strength, heightened senses, and killer instincts to track and eliminate supras who prey on the innocent.

A loner by choice, her only real link to the human world is her close connection to her mother and sister—until the unthinkable happens... Ruri Samson has been a werewolf for more than a century and is comfortably situated as the Beta of her peaceful pack. Until she is betrayed by the woman she loves and an evil outsider massacres her Alpha and his most loyal followers. Barely escaping with her life, Ruri is forced to tread the perilous path of a lone wolf while vowing vengeance against the usurper and his minions. Although these two powerful women should rightfully despise each other, fate will soon compel them to join forces on a dangerous quest to avenge their loved ones—and will ignite a forbidden passion that neither

More from Vicky Bliss - the new heroine from the creator of the bestselling Amelia Peabody series A picture is worth a thousand words - but the photograph art historian Vicky Bliss has just received gives rise to a thousand questions instead. A quick glance at the blood-stained envelope is all the proof she needs that something is horribly wrong. The photo itself is familiar: a woman adorned in the gold of Troy. Yet this isn't the famous photograph of Frau Schliemann - this photo is contemporary. And the
