The fourth grade is a time of skill strengthening in math facts, place value, number lines, double digit equations, and story problems. It's also the time when arrays, perimeter and area, geometry and graphing are introduced. This workbook uses puzzles and storytelling to drill numerical operations.

Skill Sharpeners Math, Grade 4 Paperback – June 1, 2005

The Summer Skills books include two different series of review books (math and language arts) for students from pre-k through high school. Our foreign language series and Study Skills Sharpener book are for students in the 7th grade through high school. Each grade level book helps students maintain their academic skills over the summer months.
