Colombia - Peer Review of Competition Law and Policy 2009 “Peer review” is a core element of OECD work. The mechanisms of peer review vary, but it is founded upon the willingness of all OECD countries and their partners to submit their laws and policies to substantive questioning by other members. Colombia’s competition law and

telecommunications law and policy 2009 supplement

The Telecommunications Act of 1996 was the first significant overhaul of telecommunications law in more than sixty years, amending the Communications Act of 1934. The Act, signed by President Bill Clinton , represented a major change in American telecommunication law, since it was the first time that the Internet was included in broadcasting and spectrum allotment.
