The 10X Rule: The Only Difference Between Success and ...

The 10X Rule is summarized by two main components; setting massive goals and taking massive action. The idea proposed is that since all goals require an extraordinary amount of work and effort, then you might as well set big goals. Also, setting big goals will greatly increase your level of motivation compared to setting average goals.

The 10X Rule: The Only Difference Between Success and ...

The 10X Rule compels you to separate yourself from everyone else in the market—and you do that by doing what others refuse to do. Stop thinking in terms of basic needs, and start aiming for abundance—in all areas of your life. The 10X Rule guides you toward the frame of mind that all successful people share. Aim ten times higher than you are right now—and if you come up short, you'll still find yourself further along than if you had maintained your life's current status quo.
