Karen Paik works in the development department at Pixar, where she has worked on Ratatouille, Up, and Monsters University. She is the author of The Art of Ratatouille and To Infinity and Beyond!: The Story of Pixar Animation Studios. John Lasseter is a two-time Academy Award-winning director and Chief Creative Officer, Walt Disney and Pixar Animation Studios, and Principal Creative Officer, Walt Disney Imagineering. Dan Scanlon is the director of Monsters University.

This book is one of a series of coffee-table books about the art of Pixar movies. A previous edition, The Art of Monsters, Inc., was a disappointing hodge-podge of art from the motion picture of the same name. I had high hopes for The Art of Monsters University, because the first book's failings were, I thought, pretty obvious. Unfortunately, this follow-up volume is very bland.

*The Art of Monsters University by Karen Paik*

The Art of Monsters University is the official concept art book of the Pixar animated film Monsters University. It is published by Chronicle Books on June 2013, and written by Karen Piak. It has a preface by John Lasseter and Pete Docter, and a foreword by Dan Scanlon. Description

Art is one of the tritagonists of Disney / Pixar 's 2013 animated film, Monsters University. A furry purple monster with an arch shape and blue stripes on his body. He is a student at Monsters University, and a member of the Oozma Kappa fraternity. He seems to be a comic relief in the movie.

*Art - Disney Wiki*

In Monsters University, Art is introduced, along with his other fraternity brothers, when Mike and Sulley move into the Oozma Kappa fraternity home, and helps with the initiation for the two. In the first round of the Scare Games, the Toxicity Challenge, Art really wants to touch the stinging glow urchins that the players must avoid. He ignores that fact, but learns his lesson after scooping up a large amount, and his body gets swelled up in pain.
